### **NOTICE !!!**

This is to notify that RDC Directorate is planning to implement the scheme of internally funded projects as indicated in RDC policy guidelines 2015 from this fiscal year. In this context, we need to propose an annual budget to be allocated for RDC in university's annual budget. This scheme is mainly for the faculties who have not received any external funds to carry out research in their department. Therefore, we would like to invite concept papers from faculties with estimated budget not exceeding NRs. 50,000/-. Please send your concept papers to RDC before **April 15, 2019**.

The concept papers are invited to estimate budget in the proposal to request fund for this scheme and it would be effective after RDC receives the budget from center.
