

**Call for Reviewers: Join the Reviewer Roster for Kathmandu University Journal of Science,
Engineering and Technology (KUSET)**

The **Kathmandu University Journal of Science, Engineering and Technology (KUSET)** invites enthusiastic and dedicated academics, researchers, and professionals to join our **Reviewer Roster**. KUSET is committed to disseminating high-quality research in the fields of science, engineering and technology. Since the previous issue, KUSET has successfully registered DOIs for its articles through CrossRef, ensuring greater visibility and accessibility of published works. In 2025, KUSET has also been indexed in DOAJ (Directory of Open Access Journals), which further reflects the journal's adherence to international standards and editorial quality. As we strive to foster a culture of academic excellence and innovation, we seek the expertise of dedicated professionals to uphold the highest standards in our publications.

Benefits of joining the reviewer roster:

- **Earn recognition:** Starting this year, KUSET will recognize all reviewers with a formal certificate and a token of gratitude upon completing their designated reviews by the end of the year.
- **Consideration to join editorial board:** KUSET will offer opportunities to join the editorial board or serve as a guest editor for special issues of the journal.
- **Networking:** KUSET will consider invitation for the reviewers to participate in the events such as conference, workshops and seminar that are organized by KU as a session chair, panelist or speaker depending upon the field of expertise of the reviewer.

Eligibility criteria:

- Hold a postgraduate degree (Master's or higher) in a relevant field.
- Demonstrate expertise in areas covered by KUSET, including science, engineering, and technology.
- Have prior experience in research or academic review (preferred but not mandatory).

We value your time and commitment to advancing knowledge through rigorous peer review. To join the roster, please fill the Google form which can be accessed through the QR code below:

Regards,

Assoc. Prof. Brijesh Adhikary

Act. Director, Research, Development and Innovation (RDI),

Kathmandu University

Deadline for application: March 10, 2026
